ALAIN GARCIA

PROFESSIONAL PROFILE

I am an enthusiastic and highly motivated lifelong learner in software engineering, with a strong problem-solving mindset and excellent time management skills. I am eager to expand my expertise within a well purpose and driven team. My best personal qualities include determination, perseverance, and a passion for continuous learning.

EXPERIENCE

QUATILY ASSURANCE ENGINEER

Over the past year, I have been actively involved with the POS modernization team, focusing on testing and data validation for various features. My role within the team involves identifying, documenting, and tracking defects to ensure the quality of the developed product.

PORTFOLIO | WWW.ALAINVALDES.DEV

I invite you to explore my portfolio, where you will find a selection of my favorite works. This collection showcases my skills, creativity, and dedication to quality. Each project highlights my ability to deliver innovative solutions and my commitment to excellence in my field. I hope you find them as inspiring and engaging as I do

CODERFOUNDRY BOOTCAMP
